and **P**ersistence

# PROGRAM AT A GLANCE

ESPACOMP 15th Annual Meeting

Ghent 25-27 October 2012

## THURSDAY OCTOBER 25

**Pre-conference adherence enhancing educational day:** *Designing interventions for treatment initiation, execution & persistence – An intervention mapping approach*

- 10.00 Welcome
- 10.30 E1 - Lecture & exercise 1 - Conducting a needs assessment
- 11.30 E2 - Lecture & exercise 2 - Applying theory & evidence in interventions
- 12.30 Lunch break
- 13.30 E3 - Lecture & exercise 3 - Setting program objectives & identifying intervention methods
- 15.00 Coffee break
- 15.30 E4 - Lecture & exercise 4 - Designing materials & planning delivery
- 16.30 E5 - Lecture 5 - Intervention evaluation design
- 17.00 E6 - Plenary discussion group work - Challenges, outcomes, lessons
- 18.00 Closing

## THURSDAY OCTOBER 25

**Pre-conference patient adherence and drug development educational day:** *Bridging the adherence gap between use-effectiveness and method-effectiveness*

- 10.00 Welcome
- 10.30 I1 - The problem of suboptimal patient adherence in clinical drug development and associated type II errors
- 11.30 I2 - The impact of variable Adherence on studies of PK/PD
- 12.30 Lunch break
- 13.30 I3 - Modelling & Simulations based on actual vs assumed dosing history data
- 15.00 Coffee break
- 15.30 I4 - Strategies and tactics to deal with suboptimal adherence in clinical drug development
- 18.00 Closing

## FRIDAY OCTOBER 26

### Scientific meeting

- 09.15 Welcome
- 09.30 F1 - JM Métry lecture  
Adherence to medications - Insights arising from studies on the unreliable link between prescribed and actual drug dosing histories
- 10.30 Coffee break
- 11.00 F2 - Key lecture + selected abstracts (4)  
Defining and expressing adherence: bridging the gap between field and database research
- 12.30 Lunch break
- 13.15 F3 - Poster session
- 14.00 F4 - Key lecture + selected abstracts (4)  
Clinical and economic consequences of non-adherence
- 15.30 Coffee break
- 16.00 F5 - Key lecture + selected abstracts (4)  
Understanding and changing treatment adherence
- 17.30 Closing

## SATURDAY OCTOBER 27

### Scientific meeting

- 09.00 S1 - Key lecture + selected abstracts (4)  
Adherence support through innovative techniques
- 10.30 Coffee break
- 11.00 S2 - Key lecture and panel discussion  
Adherence research: Stick to the past or jump to the future?
- 12.30 Closing
